Sample Independent listening task 1 – School hall map

Examiner rubric

This is a plan of a school hall. Here it shows left and right (*point to L and R on the plan*). You're going to hear someone talking about the school hall. You'll hear the talk twice. These pictures (*point to the pictures*) show some things in the school hall. The person will tell you where the things are. Each picture has a letter. Write the correct letter in the circles on the plan. There's one circle that you do not need to use. There's an example to show you what to do (*point to where it says A on the plan*). Please look at the plan and the pictures now. You have 15 seconds (*wait 15 seconds*). Are you ready?

Thank you for coming to visit our school today. This is our school hall. You can leave your bags next to the door on the right. Behind the bag area, there are some lovely clothes. The students made these clothes in their class. There are some great photographs in the centre of the room. At the back of the hall in the middle you can buy some homemade cakes. On the left, just before the stairs you can find some science work from students. Finally, there are some examples of maths work at the back of the hall on the right. Enjoy looking at the students' work.
