Sample Independent listening task 1 – Toy shop

Examiner rubric

This is a plan of a toy shop.

Here it shows left and right (*point to L and R on the plan with cursor*). You're going to hear someone talking about the toy shop. You'll hear the talk twice. These pictures (*point to the pictures with cursor*) show you some toys in the toy shop. A person will tell you where the toys are. Each picture has a number. On your notepaper, match the number with the letters on the plan. There's one letter that you do not need to use. There's an example to show you what to do. The example is zero. Zero is A (*point to A = 0 on the plan with cursor*).

Please look at the plan and the pictures now. You have 15 seconds (*wait 15 seconds*). Are you ready?

(*Play the task. The task will play twice.*)

(*Allow the candidate up to 15 seconds after the recording has finished to complete their notes.*)

What letter is number 1? Number 2? Number 3? Number 4? And number 5?
